Where will we be visiting?

NAPLES: 3rd largest Italian city with wealth of cultural assets; two royal palaces, three castles, and ancient ruins. Narrow streets and weathered courtyards are dotted with a plethora of workshops and boutiques. Also here you'll find the country's best pizza, pasta and espresso!

MESSINA, SICILY: Trading city with a history dating back to the 8th century B.C See also CASTELMOLA with unparalleled views of Mount Etna and TAORMINA—a mandatory stop for the European aristocracy after Goethe praised its beauty

VALLETTA: tiny capital of MALTA – established in the 1500s. Small, but full of sights; described by UNESCO as 'one of the most concentrated historic areas in the world'.

BARCELONA, SPAIN: unique blend of Catalan culture, and amazing Gaudi architectural works.

MARSEILLE / Aix en Provence, FRANCE: Aix - birthplace of Paul Cézanne. the city of art, light and activity. If you sit at only one French sidewalk café outside of Paris, it should be here!
